Why & How IS SHAKTI SOUND
CHANGING THE MUSIC INDUSTRY?

EMPOWERING WOMXN EMPOWERS US ALL.
WE ARE UPLIFTING THE FEMININE ON THE PLANET.

LESS THAN 10%

OF PERFORMERS AT MUSIC FESTIVALS AROUND THE WORLD ARE **FEMALE**, AND AN EVEN SMALLER PERCENTAGE OF WOMEN ARE ON MUSIC LABEL ROSTERS.

Most womxn do not even see music as a career option, because the male dominated industry is keeping the majority of profit percentage as the producers and labels.

We **need more** young women, people of color, and diverse voices to have **allies in the industry** with **accessibility to technical skills**, and **confidence to take action**.

WE INVITE YOU TO
